

## Opening Week – Ice Breaker

### Who are you?

In an effort to get to know you, and for you to get to know your fellow classmates, I would like you to create a Word Cloud on your iPad/device. You should write up a short blurb about yourself (likes, favorites, hobbies, etc). There are several online word cloud generators and I have some listed below. If you are aware of a tool that is not listed here, you may use it once you discuss with me. Have fun and be creative!
